Straight Abutments:		
0001	Straight Titanium Abutment compatible with Nobel Replace 3.5(1MM) comes with a screw	\$53.33
0002	Straight Titanium Abutment compatible with Nobel Replace 4.3(1MM) comes with a screw	\$53.33
0003	Straight Titanium Abutment compatible with Nobel Replace 5.0(1MM) comes with a screw	\$53.33
0004	Straight Titanium Abutment compatible with Nobel Replace 6.0(1MM) comes with a screw	\$53.33
0005	Straight Titanium Abutment compatible with Nobel Replace 3.5(3MM) comes with a screw	\$53.33

0006	Straight Titanium Abutment compatible with Nobel Replace 4.3(3MM) comes with a screw	\$53.33
0007	Straight Titanium Abutment compatible with Nobel Replace 5.0(3MM) comes with a screw	\$53.33

Angled Abutments:

0008	Angled Titanium Abutment compatible with Nobel Replace 3.5(1MM) comes with a screw	\$62.00
0009	Angled Titanium Abutment compatible with Nobel Replace 3.5(3MM) comes with a screw	\$62.00
0010	Angled Titanium Abutment compatible with Nobel Replace 4.3(1MM) comes with a screw	\$62.00
0011	Angled Titanium Abutment compatible with Nobel Replace 4.3(3MM) comes with a screw	\$62.00
0012	Angled Titanium Abutment compatible with Nobel Replace 5.0(1MM) comes with a screw	\$62.00
0133	Angled Titanium Abutment compatible with Nobel Replace 5.0(3MM) comes with a screw	\$62.00

Plastic Abutments:

0013	Plastic Abutment compatible with Nobel Replace 3.5 comes with a screw	\$33.33
0014	Plastic Abutment compatible with Nobel Replace 4.3 comes with a screw	\$33.33
0015	Plastic Abutment compatible with Nobel Replace 5.0 comes with a screw	\$33.33

Titanium Bases:

0017	Titanium Base, non-rotating compatible with Nobel Replace 3.5 comes with a screw	\$55.00
0018	Titanium Base, non-rotating compatible with Nobel Replace 4.3 comes with a screw	\$55.00
0019	Titanium Base, non-rotating compatible with Nobel Replace 5.0 comes with a screw	\$55.00
0020	Titanium Base, non-rotating compatible with Nobel Replace 6.0 comes with a screw	\$55.00

0021	Titanium Base, rotating compatible with Nobel Replace 3.5 comes with a screw(0.4MM)	\$55.00
0274	Titanium Base, rotating compatible with Nobel Replace 3.5 comes with a screw(0.3MM)	\$55.00
0022	Titanium Base, rotating compatible with Nobel Replace 4.3 comes with a screw(0.4MM)	\$53.33
0275	Titanium Base, rotating compatible with Nobel Replace 4.3 comes with a screw(0.3MM)	\$53.33
0023	Titanium Base, rotating compatible with Nobel Replace 5.0 comes with a screw	\$53.33
0024	Titanium Base for single crowns (Analogue of Procera) compatible with Nobel Replace 3.5 comes with a screw	\$75.83
0025	Titanium Base for single crowns (Analogue of Procera) compatible with Nobel Replace 4.3 comes with a screw	\$75.83
0026	Titanium Base for single crowns (Analogue of Procera) compatible with Nobel Replace 5.0 comes with a screw	\$75.83
0147	Titanium base, non-rotating (Analogue of Zirkonzahn) compatible with Nobel Replace 3.5 comes with a screw	\$53.33
0148	Titanium base, non-rotating (Analogue of Zirkonzahn) compatible with Nobel Replace 4.3 comes with a screw	\$53.33
0149	Titanium base, non-rotating (Analogue of Zirkonzahn) compatible with Nobel Replace 5.0 comes with a screw	\$53.33
0150	Titanium base, rotating (Analogue of Zirkonzahn) compatible with Nobel Replace 3.5 comes with a screw	\$53.33
0151	Titanium base, rotating (Analogue of Zirkonzahn) compatible with Nobel Replace 4.3 comes with a screw	\$53.33
0152	Titanium base, rotating (Analogue of Zirkonzahn) compatible with Nobel Replace 5.0 comes with a screw	\$53.33

0264	Titanium base, non-rotating (Analogue of Sirona) compatible with Nobel Replace 3.5 comes with a screw	\$53.33
0265	Titanium base, non-rotating (Analogue of Sirona) compatible with Nobel Replace 4.3 comes with a screw	\$53.33
0266	Titanium base, non-rotating (Analogue of Sirona) compatible with Nobel Replace 5.0 comes with a screw	\$53.33
0171	Titanium base, rotating (Analogue of Sirona) compatible with Nobel Replace 3.5 comes with a screw	\$53.33
0267	Titanium base, rotating (Analogue of Sirona) compatible with Nobel Replace 4.3 comes with a screw	\$53.33
0268	Titanium base, rotating (Analogue of Sirona) compatible with Nobel Replace 5.0 comes with a screw	\$53.33
0289	Titanium base, non-rotating, extra long (8MM), compatible with Nobel Replace 4.3 comes with a screw	\$63.33
0290	Titanium base, non-rotating, extra long (8MM), compatible with Nobel Replace 4.3 comes with a screw	\$63.33

Temporary Abutments:

0141	Temporary abutment, non-rotating compatible with Nobel Replace 3.5 comes with a screw	\$27.00
0142	Temporary abutment, non-rotating compatible with Nobel Replace 4.3 comes with a screw	\$27.00
0143	Temporary abutment, non-rotating compatible with Nobel Replace 5.0 comes with a screw	\$27.00
0144	Temporary abutment, rotating compatible with Nobel Replace 3.5 comes with a screw	\$27.00
0145	Temporary abutment, rotating compatible with Nobel Replace 4.3 comes with a screw	\$27.00
0146	Temporary abutment, rotating compatible with Nobel Replace 5.0 comes with a screw	\$27.00

BIOMET 3i

Straight Abutments:

0047	Straight Titanium Abutment compatible with Biomet 3i 3.4 (2MM) comes with a screw	\$75.83
0279	Straight Titanium Abutment compatible with Biomet 3i 3.4 (4MM) comes with a screw	\$75.83
0048	Straight Titanium Abutment compatible with Biomet 3i 4.1 (2MM) comes with a screw	\$75.83
0280	Straight Titanium Abutment compatible with Biomet 3i 4.1 (4MM) comes with a screw	\$75.83

Angled Abutments:

0049	Angled Titanium Abutment compatible with Biomet 3i 3.4 comes with a screw	\$85.83
0050	Angled Titanium Abutment compatible with Biomet 3i 4.1 (2MM) comes with a screw	\$85.83
0281	Angled Titanium Abutment compatible with Biomet 3i 4.1 (4MM) comes with a screw	\$85.83

Plastic Abutments:

0051	Plastic Abutment compatible with Biomet 3i 3.4 comes with a screw	\$33.00
0052	Plastic Abutment compatible with Biomet 3i 4.1 comes with a screw	\$33.00

Titanium Bases:

0053	Titanium base, non-rotating compatible with Biomet 3i 3.4 comes with a screw	\$53.33
0054	Titanium base, non-rotating compatible with Biomet 3i 4.1 comes with a screw	\$53.33
0055	Titanium base, non-rotating compatible with Biomet 3i 5.0 comes with a screw	\$53.33
0056	Titanium base, rotating compatible with Biomet 3i 3.4 comes with a screw	\$53.33

0057	Titanium base, rotating compatible with Biomet 3i 4.1 comes with a screw	\$53.33
0169	Titanium base, non-rotating (Analogue of Sirona) compatible with Biomet 3i 3.4 comes with a screw	\$53.33
0181	Titanium base, rotating (Analogue of Sirona) compatible with Biomet 3i 3.4 comes with a screw	\$53.33
0170	Titanium base, non-rotating (Analogue of Sirona) compatible with Biomet 3i 4.1 comes with a screw	\$53.33
0182	Titanium base, rotating (Analogue of Sirona) compatible with Biomet 3i 4.1 comes with a screw	\$53.33

MIS, ALPHABIO, ADIN, BIOHORIZONS, ZIMMER

Straight Abutments:

0059	Straight Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 (2MM) comes with a screw	\$18.33
0060	Straight Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 (4MM) comes with a screw	\$18.33
0061	Straight Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 (2MM) comes with a screw	\$18.33
0062	Straight Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 (4MM) comes with a screw	\$18.33

Angled Abutments:

0063	Angled Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 (2MM) comes with a screw	\$27.00
------	---	---------

0153	Angled Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 (4MM) comes with a screw	\$27.00
0064	Angled Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 (2MM) comes with a screw	\$27.00
0154	Angled Titanium Abutment compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 (4MM) comes with a screw	\$27.00

Plastic Abutments:

0065	Plastic Abutments compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$18.33
0066	Plastic Abutments compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$18.33

Temporary Abutments:

0177	Temporary Abutments, non-rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$18.33
0178	Temporary Abutments, non-rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$18.33
0179	Temporary Abutments, rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$18.33
0180	Temporary Abutments, rotating connection compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$18.33

Titanium Bases:

0067	Titanium Base, non-rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$27.00
------	--	---------

0068	Titanium Base, non-rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$27.00
0069	Titanium Base, non-rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 5.7 comes with a screw	\$27.00
0070	Titanium Base, non-rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$27.00
0071	Titanium Base, rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$27.00
0072	Titanium Base, rotating compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 5.7 comes with a screw	\$27.00
0269	Titanium Base, non-rotating (Analogue of Sirona) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$53.33
0200	Titanium Base, rotating (Analogue of Sirona) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$53.33
0161	Titanium Base, non-rotating (Analogue of Sirona) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$53.33
0201	Titanium Base, rotating (Analogue of Sirona) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$53.33
0202	Titanium Base, rotating compatible with Mis C1 3.75/4.20 comes with a screw	\$27.00
0284	Titanium Base, rotating compatible with Mis 3.3 comes with a screw	\$27.00
0285	Titanium Base, non-rotating (extra long (8MM)) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$32.00
0286	Titanium Base, rotating (extra long (8MM)) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 3.5 comes with a screw	\$32.00

0287	Titanium Base, non-rotating (extra long (8MM)) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$32.00
0288	Titanium Base, rotating (extra long (8MM)) compatible with Mis, AlphaBio, Adin, BioHorizons, Zimmer 4.5 comes with a screw	\$32.00

STRAUMANN BONE LEVEL

Straight Abutments:

0073	Straight Titanium Abutment compatible with Straumann Bone Level 3.5 (2MM) comes with a screw	\$75.83
0074	Straight Titanium Abutment compatible with Straumann Bone Level 3.5 (4MM) comes with a screw	\$75.83
0075	Straight Titanium Abutment compatible with c Straumann Bone Level 4.5 (2MM) comes with a screw	\$75.83
0076	Straight Titanium Abutment compatible with Straumann Bone Level 4.5 (4MM) comes with a screw	\$75.83

Angled Abutments:

0077	Angled Titanium Abutment compatible with Straumann Bone Level 3.5 comes with a screw	\$85.83
0078	Angled Titanium Abutment compatible with Straumann Bone Level 4.5 (1MM) comes with a screw	\$85.83
0282	Angled Titanium Abutment compatible with Straumann Bone Level 4.5 (3MM) comes with a screw	\$85.83

Plastic Abutments:

0079	Plastic Abutment compatible with Straumann Bone Level 3.5 comes with a screw	\$33.33
0080	Plastic Abutment compatible with Straumann Bone Level 4.5 comes with a screw	\$33.33

Temporary Abutments:

0185	Temporary Abutment, non-rotating compatible with Straumann Bone Level 3.5 comes with a screw	\$27.00
0186	Temporary Abutment, non-rotating compatible with Straumann Bone Level 4.5 comes with a screw	\$27.00
0187	Temporary Abutment, rotating compatible with Straumann Bone Level 3.5 comes with a screw	\$27.00
0188	Temporary Abutment, rotating compatible with Straumann Bone Level 4.5 comes with a screw	\$27.00

Titanium Bases:

0081	Titanium base, non-rotating compatible with Straumann Bone Level 3.5 comes with a screw	\$53.33
0082	Titanium base, non-rotating compatible with Straumann Bone Level 4.5 comes with a screw	\$53.33
0283	Titanium base, non-rotating (extra long (8MM)) compatible with Straumann Bone Level 4.5 comes with a screw	\$53.33
0156	Titanium base, rotating compatible with Straumann Bone Level 3.5 comes with a screw	\$53.33
0157	Titanium base, rotating compatible with Straumann Bone Level 4.5 comes with a screw	\$53.33
0194	Titanium Base, non-rotating (Analogue of Sirona) compatible with Straumann Bone Level 3.5 comes with a screw	\$53.33
0195	Titanium Base, rotating (Analogue of Sirona) compatible with Straumann Bone Level 3.5 comes with a screw	\$53.33
0196	Titanium Base, non-rotating (Analogue of Sirona) compatible with Straumann Bone Level 4.5 comes with a screw	\$53.33

0192	Temporary abutment, rotating compatible with Straumann SynOcta 4.8 comes with a screw	\$27.00

Titanium Bases:

0089	Titanium Base, non-rotating compatible with Straumann SynOcta 3.5 comes with a screw	\$53.33
0090	Titanium Base, non-rotating compatible with Straumann SynOcta 4.8 comes with a screw	\$53.33
0155	Titanium Base, non-rotating compatible with Straumann SynOcta 6.5 comes with a screw	\$53.33
0158	Titanium Base, rotating compatible with Straumann SynOcta 3.5 comes with a screw	\$53.33
0159	Titanium Base, rotating compatible with Straumann SynOcta 4.8 comes with a screw	\$53.33
0160	Titanium Base, rotating compatible with Straumann SynOcta 6.5 comes with a screw	\$53.33
0198	Titanium Base, non-rotating (Analogue of Sirona) compatible with Straumann SynOcta 4.8 comes with a screw	\$53.33
0199	Titanium Base, rotating (Analogue of Sirona) compatible with Straumann SynOcta 4.8 comes with a screw	\$53.33

ASTRA TECH

Straight Abutments:

0223	Straight Titanium Abutment compatible with Astra 3.0 (1MM) comes with a screw	\$75.83
0224	Straight Titanium Abutment compatible with Astra 3.0 (3MM) comes with a screw	\$75.83
0091	Straight Titanium Abutment compatible with Astra 3.5/4.0 (1MM) comes with a screw	\$75.83
0135	Straight Titanium Abutment compatible with Astra 3.5/4.0 (3MM) comes with a screw	\$75.83
0092	Straight Titanium Abutment compatible with Astra 4.5/5.0 (1MM) comes with a screw	\$75.83
0136	Straight Titanium Abutment compatible with Astra 4.5/5.0 (3MM) comes with a screw	\$75.83

Angled Abutments:

0093	Angled Titanium Abutment compatible with Astra 3.5/4.0 (1mm) comes with a screw	\$85.83
0263	Angled Titanium Abutment compatible with Astra 3.5/4.0 (3mm) comes with a screw	\$85.83
0094	Angled Titanium Abutment compatible with Astra 4.5/5.0 comes with a screw	\$85.83

Plastic Abutments:

0095	Plastic Abutment compatible with Astra 3.5/4.0 comes with a screw	\$33.33
0096	Plastic Abutment compatible with Astra 4.5/5.0 comes with a screw	\$33.33

Titanium Bases:

0227	Titanium Base, non-rotating compatible with Astra 3.0 comes with a screw	\$53.33
0097	Titanium Base, non-rotating compatible with Astra 3.5/4.0 comes with a screw	\$53.33
0098	Titanium Base, non-rotating compatible with Astra 4.5/5.0 comes with a screw	\$53.33
0228	Titanium Base, rotating compatible with Astra 3.0 comes with a screw	\$53.33
0099	Titanium Base, rotating compatible with Astra 3.5/4.0 comes with a screw	\$53.33
0100	Titanium Base, rotating compatible with Astra 4.5/5.0 comes with a screw	\$53.33
0162	Titanium base, non-rotating (Analogue of Sirona) compatible with Astra 3.5/4.0 comes with a screw	\$53.33
0174	Titanium base, rotating (Analogue of Sirona) compatible with Astra 3.5/4.0 comes with a screw	\$53.33
0163	Titanium base, non-rotating (Analogue of Sirona) compatible with Astra 4.5/5.0 comes with a screw	\$53.33

0175	Titanium base, rotating (Analogue of Sirona) compatible with Astra 4.5/5.0 comes with a screw	\$53.33
XIVE, FRIADENT		
Straight Abutments:		
0101	Straight Titanium abutment compatible with Xive/Friadent 3.4 (1MM) comes with a screw	\$75.83
0258	Straight Titanium abutment compatible with Xive/Friadent 3.4 (3MM) comes with a screw	\$75.83
0102	Straight Titanium abutment compatible with Xive/Friadent 3.8 (1MM) comes with a screw	\$75.83
0259	Straight Titanium abutment compatible with Xive/Friadent 3.8 (3MM) comes with a screw	\$75.83
0103	Straight Titanium abutment compatible with Xive/Friadent 4.5 (1MM) comes with a screw	\$75.83
0260	Straight Titanium abutment compatible with Xive/Friadent 4.5 (3MM) comes with a screw	\$75.83
0261	Straight Titanium abutment compatible with Xive/Friadent 5.5 (1MM) comes with a screw	\$75.83
0262	Straight Titanium abutment compatible with Xive/Friadent 5.5 (3MM) comes with a screw	\$75.83
Angled Abutments:		
0104	Angled Titanium Abutment compatible with Xive/Friadent 3.4 comes with a screw	\$85.83
0105	Angled Titanium Abutment compatible with Xive/Friadent 3.8 comes with a screw	\$85.83
0106	Angled Titanium Abutment compatible with Xive/Friadent 4.5 comes with a screw	\$85.83
Plastic Abutments:		
0107	Plastic Abutment compatible with Xive/Friadent 3.4 comes with a screw	\$33.33
0108	Plastic Abutment compatible with Xive/Friadent 3.8 comes with a screw	\$33.33

0109	Plastic Abutment compatible with Xive/Friadent 4.5 comes with a screw	\$33.33

0115	Titanium Base, rotating compatible with Xive/Friadent 3.8 comes with a screw	\$53.33
0116	Titanium Base, rotating compatible with Xive/Friadent 4.5 comes with a screw	\$53.33
0276	Titanium Base, rotating compatible with Xive/Friadent 5.5 comes with a screw	\$53.33
0166	Titanium Base, non-rotating (Analogue of Sirona) compatible with Xive/Friadent 3.4 comes with a screw	\$53.33
0183	Titanium Base, rotating (Analogue of Sirona) compatible with Xive/Friadent 3.4 comes with a screw	\$53.33
0167	Titanium Base, non-rotating (Analogue of Sirona) compatible with Xive/Friadent 3.8 comes with a screw	\$53.33
0184	Titanium Base, rotating (Analogue of Sirona) compatible with Xive/Friadent 3.8 comes with a screw	\$53.33
0168	Titanium Base, non-rotating (Analogue of Sirona) compatible with Xive/Friadent 4.5 comes with a screw	\$53.33
0193	Titanium Base, rotating (Analogue of Sirona) compatible with Xive/Friadent 4.5 comes with a screw	\$53.33

NOBEL ACTIVE

Straight Abutments:

0207	Straight Titanium Abutment compatible with Nobel Active 3.5 (1MM) comes with a screw	\$75.83
0208	Straight Titanium Abutment compatible with Nobel Active 3.5 (3MM) comes with a screw	\$75.83
0209	Straight Titanium Abutment compatible with Nobel Active 4.3/5.0 (1MM) comes with a screw	\$75.83
0210	Straight Titanium Abutment compatible with Nobel Active 4.3/5.0 (3MM) comes with a screw	\$75.83

Angled Abutments:

0211	Angled Titanium Abutment compatible with Nobel Active 3.5 (1MM) comes with a screw	\$85.83
0212	Angled Titanium Abutment compatible with Nobel Active 3.5 (3MM) comes with a screw	\$85.83
0213	Angled Titanium Abutment compatible with Nobel Active 4.3/5.0 (1MM) comes with a screw	\$85.83
0214	Angled Titanium Abutment compatible with Nobel Active 4.3/5.0 (3MM) comes with a screw	\$85.83

Plastic Abutments:

0250	Plastic Abutment compatible with Nobel Active 3.5 comes with a screw	\$33.33
0251	Plastic Abutment compatible with Nobel Active 4.3/5.0 comes with a screw	\$33.33

Temporary Abutments:

0252	Temporary Abutment, non-rotating compatible with Nobel Active 3.5 comes with a screw	\$27.00
0253	Temporary Abutment, non-rotating compatible with Nobel Active 4.3/5.0 comes with a screw	\$27.00

Titanium Bases:

0203	Titanium Base, non-rotating compatible with Nobel Active 3.5 comes with a screw	\$53.33
0204	Titanium Base, non-rotating compatible with Nobel Active 4.3/5.0 comes with a screw	\$53.33
0205	Titanium Base, rotating compatible with Nobel Active 3.5 comes with a screw	\$53.33
0206	Titanium Base, rotating compatible with Nobel Active 4.3/5.0 comes with a screw	\$53.33
0164	Titanium Base, non-rotating (Analogue of Sirona) compatible with Nobel Active 3.5 comes with a screw	\$53.33
0172	Titanium Base, rotating (Analogue of Sirona) compatible with Nobel Active 3.5 comes with a screw	\$53.33
0165	Titanium Base, non-rotating (Analogue of Sirona) compatible with Nobel Active 4.3/5.0 comes with a screw	\$53.33
0173	Titanium Base, rotating (Analogue of Sirona) compatible with Nobel Active 4.3/5.0 comes with a screw	\$53.33

IMPLANTIUM

Straight Abutments:

0217	Straight Titanium Abutment compatible with Implantium (1MM) comes with a screw	\$53.33
0218	Straight Titanium Abutment compatible with Implantium (2MM) comes with a screw	\$53.33

Angled Abutments:

0221	Angled Titanium Abutment compatible with Implantium (1MM) comes with a screw	\$62.00
0222	Angled Titanium Abutment compatible with Implantium (3MM) comes with a screw	\$62.00

Plastic Abutments:

0271	Plastic Abutment compatible with Implantium comes with a screw	\$33.33
------	---	---------

Titanium Bases:

0225	Titanium Base, non-rotating compatible with Implantium comes with a screw	\$53.33
0226	Titanium Base, rotating compatible with Implantium comes with a screw	\$53.33
0270	Titanium Base, non-rotating (Analogue of Sirona) compatible with Implantium comes with a screw	\$53.33
0176	Titanium Base, rotating (Analogue of Sirona) compatible with Implantium comes with a screw	\$53.33

ANKYLOS

Straight Abutments:

0230	Straight Titanium Abutment compatible with ANKYLOS (0.75MM) C/4 comes with a screw	\$75.83
0231	Straight Titanium Abutment compatible with ANKYLOS (1.5MM) C/4 comes with a screw	\$75.83
0232	Straight Titanium Abutment compatible with ANKYLOS (3.0MM) C/4 comes with a screw	\$75.83
0233	Straight Titanium Abutment compatible with ANKYLOS small (1.5MM)C comes with a screw	\$75.83
0234	Straight Titanium Abutment compatible with ANKYLOS small (3.0MM)C comes with a screw	\$75.83
0235	Straight Titanium Abutment compatible with ANKYLOS small (1.5MM)X comes with a screw	\$75.83
0236	Straight Titanium Abutment compatible with ANKYLOS small (3.0MM)X comes with a screw	\$75.83

Angled Abutments:

0237	Angled Titanium Abutment compatible with ANKYLOS (0.75/15)C/4 comes with a screw	\$85.83
0238	Angled Titanium Abutment compatible with ANKYLOS (1.5/15)C/4 comes with a screw	\$85.83
0239	Angled Titanium Abutment compatible with ANKYLOS (3.0/15)C/4 comes with a screw	\$85.83
0242	Angled Titanium Abutment compatible with ANKYLOS small (1.5/15)C comes with a screw	\$85.83
0243	Angled Titanium Abutment compatible with ANKYLOS small (3.0/15)C comes with a screw	\$85.83
0244	Angled Titanium Abutment compatible with ANKYLOS small (1.5/15)X comes with a screw	\$85.83
0245	Angled Titanium Abutment compatible with ANKYLOS small (3.0/15)X comes with a screw	\$85.83

Titanium Bases:

0246	Titanium Base, non-rotating (1 mm), compatible with ANKYLOS comes with a screw	\$53.33
0272	Titanium Base, non-rotating (2mm), compatible with ANKYLOS comes with a screw	\$53.33
0247	Titanium Base, rotating (1mm), compatible with ANKYLOS comes with a screw	\$53.33
0273	Titanium Base, non-rotating (2mm), compatible with ANKYLOS with screw	\$53.33
0277	Titanium Base, non-rotating (Analogue of Sirona) compatible with ANKYLOS with screw	\$53.33
0278	Titanium Base, non-rotating (Analogue of Sirona) compatible with ANKYLOS with screw	\$53.33

SCREWS

0137	Screw is compatible with Biomet 3i	\$18.33
0257	Screw is compatible with Astra 3.0	\$18.33
0138	Screw is compatible with Astra 3.5/4.0	\$18.33
0139	Screw is compatible with Astra 4.5/5.0	\$18.33
0140	Screw is compatible with Xive/Frialit	\$18.33
0134	Screw is compatible with Mis/AlpHa Bio/ Zimmer/Adin/BioHorizons	\$10.00
0248	Screw is compatible with Ankylos	\$18.33
0249	Screw is compatible with Implantium	\$18.33
0254	Screw is compatible with Straumann SynOcta 3.5	\$18.33
0255	Screw is compatible with Straumann SynOcta 4.8	\$18.33
0256	Screw is compatible with Straumann Bone Level	\$18.33
0215	Screw is compatible with Nobel Active 3.5	\$18.33
0216	Screw is compatible with Nobel Active 4.3/5.0	\$18.33
0119	Laboratory/Clinical Screw compatible with Nobel Replace 3.5	\$18.33
0120	Clinical Screw compatible with Nobel Replace 4.3/5.0/6.0	\$20.00
0121	Laboratory Screw compatible with Nobel Replace 4.3/5.0/6.0	\$18.33
0122	Laboratory/Clinical Screw used with Zirconium Abutments compatible with Nobel Replace 3.5	\$18.33
0123	Clinical Screw used with Zirconium Abutments compatible with Nobel Replace 4.3/5.0/6.0	\$20.00
0124	Laboratory Screw used with Zirconium Abutments compatible with Nobel Replace 4.3/5.0/6.0	\$18.33

PINS		
0125	Clinical Yellow Pin compatible with Preci-Line (50 pieces)	\$10.00
0126	Laboratory Yellow Pin compatible with Preci-Line (50 pieces)	\$10.00
0127	Clinical Blue Pin compatible with Preci-Line (50 pieces)	\$10.00
0128	Laboratory Blue Pin compatible with Preci-Line (50 pieces)	\$10.00
